

# ***Grants Pass Department Of Public Safety***

**Date: September 18, 2017**

**Nature: Structure Fire**

**Incident Number: 17-44895**

**Location: 323 SE G St.**

**Date/Time Reported: September 18, 2017 / 11:58 AM**

**Complete by: Fire Marshal Hyatt**

**Approved by: Lt. Moran**

## **Narrative:**

A Grants Pass Department of Public Safety Police Officer reported a fire at the corner of NE 9th & NE G St. The Officer reported the single story structure with heavy black smoke.

Fire crews arrived within 2 minutes to find the building fully involved with the windswept flames extending across 9th street threatening the surrounding buildings. An aggressive external fire attack with large hoses was conducted while police officers closed the surrounding streets. The fire was under control within 30 minutes from the initial report. Despite the rapid response the structure is considered a total loss. There were no reported injuries to firefighters or the public

Grants Pass Department of Public safety was assisted by Rural Metro Fire Department and American Medical Response.

The cause of the fire is under investigation. If you have information you may contact us at 541-450-6260.

The Fire Prevention Bureau would like to remind everyone that working smoke alarms save lives. Please check your alarm monthly.
